Pool remodeling or renovation services

Hiring a Swimming Pool Contractor

Frequently Asked Questions

What types of pool remodeling or renovation services do you offer?

We offer a wide range of services including pool resurfacing, retiling, deck repair and replacement, installation of new features like waterfalls or slides, lighting upgrades, and equipment replacements.

How long does the typical swimming pool remodeling or renovation project take?

The duration of a swimming pool remodel or renovation varies depending on the scope and complexity of the project. A simple re-tile job may only take a week while larger projects involving structural changes can last several weeks up to a few months.

Can you provide an estimate for my swimming pool remodeling or renovation project?

Yes, we will need to assess your current pool structure and discuss your desired changes. Afterwards, we will be able to provide you with a detailed cost estimate for your specific renovation project.

Do I need any special permits for my swimming pool remodel/renovation?

Depending on local regulations and the extent of work being done, permits may be required. We can help guide you through this process as part of our service.
